Provider Description

Information provided by the provider describing their agency:

Bristol Adult Resource Center (BARC) is a private nonprofit organization which has supported people with intellectual and developmental disabilities for nearly 70 years. We receive funding from DDS, United Way, local foundations and generous community members.

BARC is committed to helping adults with intellectual and developmental disabilities achieve maximum independence by providing educational, vocational, residential, social and advocacy services that support inclusion into the community. BARC operates a restaurant, the Hidden Cafe, and a greenhouse, Jerome Gardens, that are open to the public year-round. We also have a lawn maintenance service and an art program. In addition, we provide residential services, supported employment (both individual and group), day support options, individualized day and recreation/ respite programs.

BARC has a representative working with People First of Connecticut. Any individual that is interested in this self-advocacy group can contact us for more information and we will be happy to connect you to this representative. BARC is governed by a board of directors that meets every other month or more frequently if needed. BARC remains committed to its mission statement of "Advocating Personal Growth and Community Inclusion for All We Serve."
